

THE INSIDE EDGE

President Message

Dear MSC Members:

We are raffling Squaw tickets at the next meeting. Don't miss an opportunity to win these "Unrestricted" tickets.

Election time is around the corner and we are need of members to run and participate on the "Board of Directors". We have vacancies that need to be filled and have members who are qualified and need to step forward. Our club is a volunteer club and without a full board, the club cannot represent the members interest completely. Currently we have the following positions with no members stepping up to fill the positions:

1. Secretary
2. Treasure

We also need two people to volunteer to be appointed members for News Letter and Membership. Both of the members who are currently doing these functions will not be able to do it again in the next coming year. Please contact Rein Doornenball or Debra Clover if you can help fill these vacated positions. Remember, our club relies on each of us to do our part to keep our club active. Our next meeting is this Tuesday March 8, 2011 @ Fuzios. See all of you there.

In April the Club will have two meeting, 2nd and 4th Tuesday. April 12th will be our nomination evening and the 26th will be election night. If you have not served on the Board in the past, don't miss your opportunity to be part of a great team of members who put it all together for the club.

There are several activities coming up in the next few months, be sure to read inside for details on these activities.

Sincerely:

Debra Clover

President

Modesto Ski Club Lodge

Wow! We finally are receiving more snow! Hope all who have been able to get up to the Lodge are enjoying the fresh new snow. The lodge has sure been used a lot this winter. I want to thank all who help out in cleaning the lodge while staying. It really takes a joint effort on everyone's part to clean. This is just a recommendation, try not to wait until you are ready to leave to clean, pick one of the tasks and do it during your stay, this way you will feel better about doing your part and you will not feel rushed while trying to pack and get back to your home destination. Be sure to fill the wood bin up if you build fires during your stay.

Winter season pass key holders; please remember that your key is due back to me by April 30, 2011. I will send emails out to pass holders. Key must be returned with-in 7 days after April 30, 2011 or an overdue fine will be assessed.

Work weekend is April 29, 30 & May 1, 2011. Please contact me to sign up for this fun weekend. I can be reached by phone or email. 209-571-8125 or mnighte@aol.com. The Lodge gets a good cleaning twice a year. Your lodge stay is covered by the Club and we provide the following meals to participants: Saturday Breakfast, Lunch and Dinner. Sunday Breakfast and Lunch if work schedule is running late.

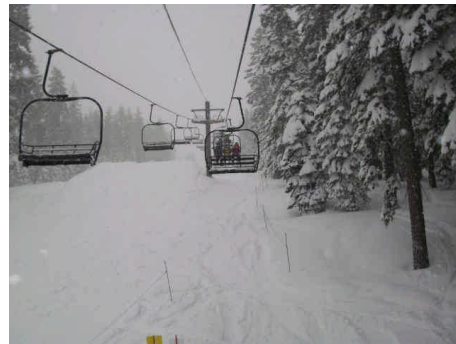

Thanks in advance for all your help with the Lodge!
