# President Message

Dear MSC Members:

We have lots of snow and plenty of ski time left with lots of sunshine. It is spring and some of us are putting up the skis and gearing up for the off ski season activities. With that in mind, I want to remind everyone of some important dates coming up:

April 12th Is **Nominations**

April 26 is **election night**

April 23 is the Lodi Wine Tasting Bicycle Ride/Tour (15-20 miles)

April 29-may 1 Spring Clean up at the lodge (we really need more members, we are short about 6 members to make this work)

May 14-16 Camping at Yosemite  
and much more...

With the mention of elections, I want to first say what a wonderful opportunity has been to serve as your president for the last 2 years. I have been blessed with a wonderful board of dedicated people. One that first comes to my heart is Pat Ramsay. She has been a life saver and dedicated Secretary. I don't know how I would have gotten through all the things that have had to be facilitated if she had not been my secretary.

Many of you may not be aware that Cliff Wagoner is retiring as our Treasure. His dedication to our club cannot be typed in just a few words. It is going to be a great loss not having his help as much as I have had in the past two years. Although he will still be supporting and assisting the board and especially the new treasure, it won't be the same. I personally want to extend my gratitude to Cliff and Myrtle for the years of service they have given. They not only dedicated a big part of their day to day lives to this club, but they befriended all of us and took us in under the wings.

I look forward to the upcoming events and seeing all of you at these.

Debra Clover  
President

It's that time of year again when our Ski Club will be holding elections for the fiscal year of May 1 to April 30, 2011-2012. The Election and installation of the Board will take place at our Annual Meeting, April 26<sup>th</sup>, at Fuzio's. Being a member of the Board not only provides great insight to the workings of our Club but allows for an exchange of new ideas and perspectives for the benefit of all members.

The elected officers of the Club consist of the President, First Vice President, Second Vice President, Secretary and Treasurer and One Trustee.

The following appointive positions serve at the discretion of the President: Lodge Chairperson, Membership Chairperson, Newsletter Editor, Ski Chairperson, Public Relations/Web Site, Race Chairperson and Historian.

The Nominating Committee would like to hear from all members interested in serving in an elected or appointive capacity. It's fun and rewarding and we hope to hear from many of you as we put together a slate of nominees. You may respond by email or phone to the Pat Ramsay.

Once again, put the night of April 26<sup>th</sup> on your calendar to welcome the new Board and thank the past Board for their service to our Club.
