Modesto Ski Club

Happy New Year MSC:

Here we are in the first Days of the New Year and not enough snow to ski. It appears our club will have a slow start to skiing this year.

Attached to the monthly Inside Edge is a copy of the Club Articles. Please take a moment to review them carefully. Several minor changes have been made to correct spelling, punctuation, sentence structure and there are some deletions of information that was redundant or outdated; clarification on some issues and additions. To identify the many changes please use your last year's membership directory. Our goal is to vote on this by the end of January.

I want to thank everyone who called, sent cards and emails for support this last month. I had surgery on December 6th for a torn rotator cuff with other complications to the tear. As of two weeks ago I started minor exercises from the doctor. I still am not able or allowed to drive, but feel I am doing good on the recovery.

The clubs' next meeting is on January 10 at Fuzio's Restaurant @ 7pm and 6:15 for no host and eating gathering. The staff at Fuzio's want to remind us that if you plan on eating, showing up earlier then 6:45 will make getting your food easier.

If you have not received your MSC membership card yet, please contact Lisa Swatman. If anyone would like a FWSA membership card, we will have them at the next meeting. Chuck Hennings is planning to have them on the Far West Trip also and it is also the goal to get them up to the Lodge.

Happy New Year

BAC's Salt Lake City Ski Trip, March 1-6, is fast approaching. There are only 3 weeks left to guarantee your space on this ski trip since I have to drop unused lodging on Jan. 10th.

This would make a great “Christmas” gift! At \$1,045, this trip is a fantastic value. See the attached Trip Information Sheet for details.

A check for \$500 per person, payable to BAC and sent to my home address, assures your spot on the trip. For your convenience, I have attached the Trip Registration Form.

We have a few spaces left for couples and singles. ***I need a single female to pair with another who has already signed up.*** Please spread the word (like forward this email) to your friends and fellow club members. The larger the group, the more fun!

We're going to have a great time in Salt Lake City. I can't wait!

Die Hard Skiers/Snowboarders –

I may have reached out to you a bit earlier in the season, but I wanted to follow up with you and see if there was an opportunity to have your group use our services to take you and the others up to the snow this season!

I have offered other groups a generous group rate and seems to be a nice way to remove a lot of the stress of driving, and create a nice environment to mingle and socialize.

We also have several trips all across the country and to Whistler that are all inclusive that may be of interest to some of your patrons...

Hope all is well and let's all hope for some snow!
