

President's Message

Hi!

Many thanks to Randy & Denise for hosting a wonderful July meeting in the "Man Cave". This month I hope all of you will travel down to Turlock and join us at the home of Curtis and Joanne Hennings.

The Summer club activities appear to be in full swing. I hope that all of you are enjoying success in any travel that may be on your Agenda.

Certain club members have recently discovered that we have been somewhat amiss in not informing all of you about some club programs and policies that are in play and in fact have been in affect for a number of years. I apologize to any members who may not be aware of these programs and policies. Please rest assured that the Board shall review these in order to make sure that all members are informed to the same level of information. The first step in that effort will be reflected in this newsletter issue.

Finally, I wish to invite any members to attend our August Board meeting. Get involved! Be there:

Wednesday, August 8, 2012, 6:30pm

MSC LODGE NEWS

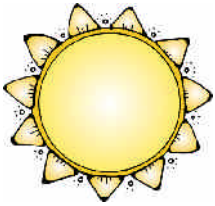

The Lodge has had some use this summer! I would like to start off by thanking the following members for taking advantage of the **Group Reservation Option** that Modesto Ski Club has for the Spring/Summer Season. Maarten and Camille Vandermeer, Sharon Jossis, Pam Shelton, Debra Clover & Nancy Cruz used the Lodge during June and July for family and group functions. Please see the SOP's that are posted on the Modesto Ski Club Website for details on how you can book a week or weekend for your family or group function during the Spring and Summer Season (May 1 thru October 31).

Please let me know if while you are visiting the Lodge and something needs attention. I will then let the Lodge Trustees know. We recently had a broken window in the kitchen, (it has been repaired), by a rock that was thrown and deliberately hit. This was fixed following the Jerry Shelton Memorial Bike Ride.

Work Weekend this fall will be October 12-14, 2012. Please let me know if you are interested in participating in the Work Weekend. This is when we change the locks as well, so if you are a year pass or spring summer season holder and plan on visiting the lodge from October 15 - 31, please see me for a new key. Thanks to all the members and guests that have helped to keep our lodge clean while staying and visiting the lodge. Future **Group Reservation** Dates: August 24 -26, 2012. All other weekends have members and guests listed for upcoming reservations and there is plenty of room for you to book a bed. Lots of activities to do while visiting the Truckee area in the Summer!

Thanks,
Michelle Nightengale
Lodge Chairperson

Jerry Shelton Sr Memorial Ride Held on June 30, 2012

I would like to personally thank everyone who supported, donated and participated in this event. It was my vision to celebrate Jerry's incredible zest for life, raise awareness about heart disease, raise funds to purchase a defibrillator for the lodge and to celebrate with friends and family. I am very, very happy to say, **"Mission Accomplished"**!

We had a total of 48 people participate, 27 of those were riders. We enjoyed a heart healthy breakfast in the morning before we all took off on our rides. That evening, the deck was filled with tables and chairs for the dinner and celebration. I don't think there was an empty seat to be found! We enjoyed a heart healthy meal, the wonderful Truckee air and the company of great people. We were fortunate enough to have some of the local CHP officers stop by to say hello, including Officer Scot Loetscher who has continued to help me during the past year. Sheriff's Officer Brandon Corchero and his family joined us for the celebration and dinner. (Brandon was the officer who was first on scene and assisted me with my CPR efforts on Jerry.) It was wonderful to see Brandon and his family enjoy the evening with everyone. He is truly a hero in my book, as are all of the officers.

When all was said and done, we raised \$1,685. This paid for the food, supplies and the defibrillator; and we will still be able to make a \$200 donation to the American Heart Association in Jerry's honor!

My sincere gratitude goes to everyone in the Modesto Ski Club. This is a wonderful organization with some incredible members. To say this past year has been difficult is an understatement. But, I have fought back and persevered, due in large part to the friendship and support of the wonderful members of the Modesto Ski Club! Thank you. Thank you for your continued friendship and thank you for helping make my vision for Jerry's Ride a success!
