

Greetings,

As you can tell by the size of our last newsletter, things are slow.

I hope all of you have been getting out and enjoying our fine warm, should I say hot weather. I heard from a few of you who are biking around town, visiting our Lodge, and just getting out and having fun.

We do not have a lot to report on as you can see activities have been canceled; the Sun Valley trip has been canceled. Gosh, at this rate it almost feels like self-isolation again.

But have no fear, life will get busy again and we will say, "I wish I weren't so busy."

The smoke has finally cleared a little here in Modesto. We visited Carson City last week and the smoke was expected to engulf them. Just cannot get away from it...

You should be receiving your membership renewal packet soon. Please note we will have a Zoom meeting for the sponsor and new member on October 13, 2020. Information will be forthcoming soon with a password and all pertinent info. Have no fear; yours truly will not be hosting that meeting. We have another, much more competent Board member who has offered to host the meeting. Thank you, Rich Ulm. The new norm for this year for new members is the Zoom meeting and one Board Meeting.

Don't forget our Lodge clean up weekend. September 26 & 27. If you are interested, please call Michelle and make your room reservation.

We should all start to explore the open venues at our comfort level but also remember we don't want to become paranoid and lose our souls. So be social and have fun.

Take care of yourself, be safe, and hopefully see you soon.

MSC Lodge News

Modesto Ski Club

Greeting! Well the Fall Season is almost here, but it sure feels like we are in the middle of the Summer Season. The Lodge has had some good use this Summer Season. We are very lucky to be able to have been using our Lodge. Thanks to all that have done their

part to keep the Lodge clean and for disinfecting the areas you have been staying in while at the Lodge.

The WORK WEEKEND is the following dates. September 25-27, 2020. In order for this to be a successful WORK WEEKEND, we **really** need couples to sign up. Due to Covid-19, putting people not from the same family in the same room will just not work. I will be putting a limit of 12 people for this work weekend. Currently I have at least 8 members including myself and Roy. I would like a firm list by September 21 so I can plan for food, etc. Please email me a request to participate in the WORK WEEKEND. I will confirm if you are needed or not. My email address is mnighte@aol.com. Home phone is 209-571-8125.

Please let me know if the Lodge is needing any supplies or has any issues. I really appreciate when members alert me to any information after their stays.

To the year KEY HOLDERS, we change the locks in September every year at the Work Weekend. If you plan to visit the Lodge after 9/27 to 10/31 you will need to make arrangements to exchange your current Lodge Key as it will no longer work at the Lodge.

I will be accepting checks for the new Season starting November 1, 2020 after the BOARD MEETING in October. Please do not send payment before October 21 and be sure that you have sent in your membership renewal payment and have been approved as a returning member.

Let's hope for some early snow! As I am writing this on Labor Day...looks like Denver is going to snow tomorrow. With all our fires in California wouldn't that be nice to have here right now. This fire season has been the worst ever.

Everyone be safe and well.
